

### **INTERNATIONAL RIESLING TASTING AND LUNCH**

As part of their 20<sup>th</sup> Anniversary celebrations, Howard Park Wines will be holding an International Riesling Tasting on Saturday 7<sup>th</sup> October 2006 at Howard Park Winery in Margaret River.

In 1986 it was the Riesling that launched Howard Park and in 2006 this variety is honoured through a celebration of great Rieslings of the world.

A stellar line up of 21 Rieslings from the 2004 vintage have been selected for tasting from a variety of regions; including Western Australia's Great Southern, South Australia's Eden and Claire Valleys, Tasmania, Victoria, Germany's Mosel-Saar-Ruwer, France's Alsace region, Austria and New Zealand. And of course, tastings of our very own Howard Park Riesling will complement this selection.

Following the tasting, the event will culminate in a celebratory lunch to release Howard Park's new vintage wines matched with an array of gourmet fare prepared by chef Simon Beaton of the Food Farmacy. During the lunch, guests will have the opportunity to taste wines from across the Howard Park portfolio including the new vintage 2006 Howard Park Riesling, 2005 Howard Park Chardonnay and 2003 Howard Park Cabernet Sauvignon.

This is a special event for all Riesling lovers and those who would love to participate in Howard Park's very exclusive gala event of the year.

"We look forward to inviting you to our much anticipated 20<sup>th</sup> Anniversary Riesling event to sample the "Best of the Best" in what Howard Park has to offer," say owners Jeff and Amy Burch.
